

SACPA – Gift Card Fundraiser

About the SACPA Gift Card Fundraiser

What do I need to do?

Purchase Shop Rite gift cards for yourself and/or sell to friends and family.

Gift Cards are purchased at the full face value and 5% is deposited into your athlete's fundraising account. For example, if you purchase 2 - \$100 gift cards – Total = \$200 x 5% - \$10 will be deposited into your athlete's fundraising account. It's that simple, and it adds up quickly!

Cards work on a no-fee declining balance and do not have to be used in one purchase. Balance remains on the card until it is depleted. These cards cannot be reloaded.

Shop Rite gift cards can be used nationwide where ever Shop Rite stores are located.

Restrictions: Shop Rite cards can NOT be used to purchase alcohol, tobacco, lottery tickets or other gift cards.

Our group minimum order with each company is \$1000 per order. If the group minimum is not yet met during a particular period, you will be notified that the order cannot be placed.

To Order: Please fill out the gift card order form, indicating the quantity and denomination (\$50 or \$100) of each card. PLEASE supply a method of contact if there is a problem or question with your order. Place your order form and check in an envelope labeled: Jenn Cedeno – Grocery Gift Cards and place into the mailbox located on filing cabinet in Margie's office. If you need a form emailed to you, please let me know.

Each participating parent should make one payment for ALL gift cards with ONE check made payable to SACPA for the total amount of cards purchased. (ie: 10- \$50 cards purchased – 1 check \$500 payable to SACPA)

All orders must be paid in full at the time of order, or order will be placed in the following month.
