

Competition Emergency Action Plan

In the event of an emergency, athletes will remain with the adult responsible for them at the current time (team parent, coaches, parents/guardian)

The above adult will be responsible to communicate to Margie and or Lee the following: athletes they have in possession and location. The information will be forwarded to the team parents and other necessary personnel and then communicated to parents as soon as possible.

If an athlete is not in the presence of a Star employee, team parent, or other adult (example: bathroom, etc.) they should gain access to a phone as in an event staff member or other parent, get to a safe area and text their parent or guardian the word SAFE.

Star Staff will be in constant communication with team parents and parent text groups.

Parents, please do NOT grab your child and run off without letting a team parent, Star Athletics staff, or Margie know. This can create hysteria and confusion.

Please review this protocol with your athlete. Please remind them not to panic and run from their group to go off looking for you.

We hope to never need to utilize this action plan, but we like to be as prepared as possible.

PLEASE MAKE SURE YOUR CHILD KNOWS YOUR CELL PHONE NUMBER
